

FOR IMMEDIATE RELEASE

## **PropertyMaps.com Announces Affiliation with Atlanta Broker David Nix of RE/MAX Professionals**

Atlanta, GA/ **April 23, 2008** – PropertyMaps.com ([www.propertymaps.com](http://www.propertymaps.com)) today announced an affiliate partnership with Atlanta Broker, William David Nix of RE/MAX Professionals to represent parts of the Atlanta market on the PropertyMaps.com national map-based online real estate search.

“Dave shares our vision to offer consumers the most comprehensive, sophisticated, and innovative way to research property listings online. With the addition of RE/MAX Professionals, we have entered Georgia in a big way, with approximately 83,000 properties and another half-million images. Georgia has 18 of the 100 fastest growing counties in the country and is the third fastest growing state in terms of population numbers overall. We’re very excited to be partnering with such a tech savvy and successful brokerage to offer this information free of charge to prospective home buyers,” said J. Matthew Beck, company founder and President.

PropertyMaps.com is a user-friendly, one-stop-shop Web site that allows consumers to quickly search the actual Multiple Listing Service (MLS) databases used by Realtors® nationwide by using popular mapping tools such as Google Maps, Google Earth, and Microsoft Virtual Earth. PropertyMaps currently has 1.3 million listings and expects to reach 2.2 million by the end of June.

“PropertyMaps is one of most user-friendly and complete search sites for homes on the Internet. All real estate sites should be this good,” said Nix. Mr. Nix has worked in the real estate business since 1969 and his full service brokerage provides residential and commercial sales as well as property management. His offices are located at: 970 Peachtree Industrial Blvd. Ste 100 in Suwanee, Georgia and 6290 Abbotts Bridge Rd. in Duluth, Georgia.

**About PropertyMaps.com:** Using popular mapping tools such as Google Maps, Google Earth, and Microsoft Virtual Earth, PropertyMaps.com enables people to quickly search and easily visualize millions of real estate listings by plotting their locations and local market data free of charge. PropertyMaps.com is the first Internet site to provide map-based access to the authentic Multiple Listing Service (MLS) databases that are used by Realtors® nationwide. PropertyMaps also delivers the content wirelessly to Internet-enabled phones, PDAs, GPS-enabled and other mobile devices.
